WHY TRAVEL COFFEE?

*We don't treat Holi like a party.
We treat it like a ritual.*

Travel Coffee is a Himachal-based local travel brand built for the mountains — not for brochure promises. That matters during festival week, when crowd pressure, road conditions, and local schedules can change fast.

We plan your route around real timings, keep your stay base practical (Kalpa + Sangla), and stay present on-ground so you don't spend Holi days figuring out logistics. You focus on the experience. We handle the flow.

TRIP HIGHLIGHTS

- Himalayan Holi with locals — cultural, community-led, deeply authentic
- Kalpa night for Kinner Kailash view moments
- Totu food blessing + village preparation energy (local ritual atmosphere)
- Holika Dahan night in the valley
- Main Sangla Holi celebration day (festival core)
- Chitkul excursion (subject to safe winter access)

This isn't "Holi tourism."

This is Holi, the way the valley lives it.

"Great experience—truly worth giving them a chance. The package they tailored to our budget was commendable and exceeded expectations."

— Harsh Kyal

"Coming from the US, what I loved most was the flexibility. I picked my own hotels and they handled the rides with no pushy schedule, so I could go at my own pace. Best Sangla trip memories: a local Kinnauri wedding, staying at Key Monastery, and meeting monks."

— German Echecopar

WINTER REALITY CHECK

Winter Note

Sangla in winter is raw, quiet, and unpredictable — roads can change overnight.

If heavy snowfall blocks any spot (especially the high villages), we switch to the best safe alternatives so your day still feels complete.

What we never do:
Overpromise.

What we always do: Adapt smartly — with safety first.
